

2017 Online Reporter Project Auction Item Request

Over the past few years, the Pennsylvania Press Conference planning committee came up with a silent auction program to help fund the Online Reporter Project. This project allows student interns to cover and create a comprehensive online operation during the Pennsylvania Press Conference. We'd like to do that again this year, but we need your help.

We're asking you to provide an auction item that we can use to raise funds to cover the expenses of this program. Your donation can range from tickets to a sporting event or show to a case of local beer. Baskets filled with wine and snacks from your area are popular items. So are tickets to a Penn State football game. Every item helps.

Please let me know if you are able to help this year, so we can promote the items along with the conference programming to help build interest in the auction items and attendance at the conference.
