

GIVINGTUESDAY

DECEMBER 2, 2025

Giving comes in all shapes and sizes.

This Dec. 2, please support local journalism in our community.

Every day, our staff of dedicated journalists attends public meetings, business openings, high school sports activities and many other community events to keep you informed. We, as your local news organization, are often the only ones asking the hard questions and holding elected officials accountable to the public they serve. We do all we can to keep you informed. We'd love to do more.

On #GivingTuesday, we ask that you keep us in mind when considering your year-end giving either through a donation to help expand our coverage and support our operations, or by gifting subscriptions to friends or neighbors who you know do not currently have access to our news coverage. Giving the gift of credible, reliable local news and features helps to create an informed and thriving community.

The Pennsylvania NewsMedia Association joins us in encouraging you to donate or purchase a gift subscription to support you local news organization and news organizations across the state.

THANK YOU!
