# 2024 CONTEST RULES

The Student Keystone Media Awards contest recognizes high school and college journalism that provides relevance, integrity and initiative in serving readers.

**ELIGIBILITY:** Entries that are eligible for competition must have been published between January 1, 2023, and December 31, 2023.

Any student at any public, private or parochial Pennsylvania high school, college or university who has had his or her material published in the school news publication may enter the contest. Students who have had their work published on a digital news site may enter the contest provided the site 1) is available to the general public on the Internet and has been so for a minimum of one year; 2) consists of student-generated content and is updated a minimum of once a month; AND 3) is affiliated with (i.e. receiving financial and/or staff support or web hosting service from) a high school, college or university in Pennsylvania.

Individual or team (more than one person) entries may be submitted into the contest. There are no limits on the number of entries each person or team per category may submit. The same exact entry may not be entered in any other category; however, part of a specific entry may be used in more than one category (i.e. news photo or feature photo may be used as part of a photo story). All entries must be uploaded as electronic files. Printed tearsheets are not acceptable as an entry format. Visual and digital elements may be included with the writing entries including apps, videos, audio, photos and graphics. The PNA Foundation cannot determine into which category specific entries should be submitted; nor can we confirm entries submitted (you will receive an Official Entry Form after each successful entry which confirms your entry was submitted correctly).

**JUDGES' TIP FOR CREATING WINNING ENTRIES:** Be sure your articles include facts and no misinformation. It is extremely important to follow AP Style as well as adhere to facts and correct details in your stories/entries. The AP Stylebook is available online and in print. Visit <https://www.apstylebook.com/> for more information.

**JUDGING:** Entries will be evaluated based on the following: subject matter (worthiness, reader appeal, relevance, full development); presentation (pleasing style, literary excellence, incisiveness, research, enterprise, originality); effectiveness (objectivity, persuasiveness, reader identity, reader response). Pennsylvania news editors and/or collegiate news advisers will judge the contest. The judges reserve the right to not award the number of specified awards per each category or give no awards at all based on the number of entries.

**AWARDS:** Winners will be notified by early March. The PNA Foundation will supply plaques to each first place winner and certificates for second place and honorable mention winners in attendance at the awards luncheon. The Student Keystone Media Awards Luncheon will be held in Harrisburg in April, date to be determined. Prior to the awards lunch a session featuring professional journalists may be held. More details available by March. Certificates not distributed at the event will be mailed after the event. If an event is not held for any reason, plaques and certificates will be mailed to winning schools at no charge.

**Sweepstakes Awards will go to the college and high school news publications winning the highest total points in each division. Points are tallied: 10 points for each first place winner, 5 points for each second place winner and 2 points for each honorable mention. Specialty category winners are awarded 10 points each.**

*See complete details on the Specialty Category page of these rules.*

# HOW TO PREPARE ENTRIES

**NOTE: All entries must be uploaded as electronic files. Printed tearsheets are not acceptable as an entry format.**

1. Entries are accepted in these formats: PDF, DOC, TXT, JPG, GIF, and PNG.
2. When uploading files, any filename may be used. The BNC website uses information entered (newspaper name, division, category, etc.) to assign a unique code to each file. These codes assign your entries to the proper categories and circulation groups for judging.
3. Newspapers must upload a PDF of the entire page on which the entry appears - not the column or article alone. For examples with more than one page, please combine all pages into one PDF. For entries that contain more than one example, combine the pages of all examples into one PDF.
4. The maximum single uploaded file should not exceed 5 megabytes. It is strongly recommended to compress files to under 3 MB so judging can be done more efficiently. Judges will view your files on their computers, so 300-resolution files are not needed (or helpful - they just hog server space). You can reduce your JPG or PDF file size by re-distilling to 72 dpi. For larger files, you may create more than one PDF (i.e. create a separate PDF for each page or section) and attach all pertinent PDFs to that specific entry. There is no limit to the number of attachments per entry.

*NOTE: It is recommended that for extremely large files and for video and audio entries, you host your content online, either by uploading it to a free streaming third-party content website, such as [www.Issuu.com](http://www.Issuu.com), [www.YouTube.com](http://www.YouTube.com), [www.vimeo.com](http://www.vimeo.com), [kiwi6.com](http://kiwi6.com), [tindeck.com](http://tindeck.com), etc., or talk to your IT person about adding it to your organization's website. Make sure your content will be accessible online throughout the contest and awards process. Important: please ensure that items are not behind a paywall or password-protected area. If they are, you must provide username/password information in the Comments section of your entry. Judges may disqualify your entry if work samples are inaccessible.*

# 2024 ENTRY INSTRUCTIONS

## TO SUBMIT ENTRIES:

1. On the Manage Entries page, click Submit Entry. Please be sure your school is shown in the correct circulation group/division as outlined in the general contest rules. If any information is incorrect, contact the PNA Foundation at [foundation@pa-news.org](mailto:foundation@pa-news.org).
2. Select "general" from the division drop down menu.
3. Select the appropriate Category from the drop down menu. Be sure to read the Category Note which describes the category's requirements.
4. Complete the Headline/Title field. Use an entry title that will clearly identify your entry for the judges. Don't make the judges guess what they are looking for! For example, use a story's headline or the first several words of the headline. **Do NOT use students names, category name or dates in this field.**
5. Upload all attachments and links for the entry. Be sure all links and attachments for a specific entry are submitted under one entry headline/title. This will ensure you are only billed once for each entry. Click Browse to select a file from your file menu and then click open. Allowed file types are PDF, DOC, TXT, JPG, GIF, and PNG. If more than one attachment is desired for this entry, click on "browse and attach more files" and repeat these steps.
6. Website/URL(s)/Link attachments: If you were unable to create and attach a PDF for this entry and needed to provide a website URL, or if the category asks for website presence for web/audio/video content, enter the URL/Links in this section. **Be sure these webpages remain available through the awards celebration.**
7. Optional: You may add any comments about your entry which may assist in the judging process. **If any links for the entry are behind a Paywall or password protected area, you MUST include a username and password for the judges in this comments box (or on a separate attachment).**
8. Add Credits for those responsible for the entry content. If there are more than four names, please enter Staff. **These names will be merged into winners' reports and award certificates, so be sure names are spelled correctly.**
9. Answer reCAPTCHA and click Submit Entry.
10. After each successful entry, the Official Entry Form will appear. This is confirmation of your entry. (See Login Instructions about Contestant Manager validation, if necessary.)
11. Select Submit Another Entry to submit more entries, or Manage Entries which will allow you to review the entries you've already submitted, or Logout.

## TO MANAGE ENTRIES:

1. Review your entries on the Manage Entries page – "entries" are enabled and will be judged; "disabled entries" will not be judged.

2. Use the "Action" links for each individual entry which allow you to view your Official Entry Form/Label, edit an incomplete entry or make certain changes, and toggle any entry between enable/disable.

**NOTE: Every enabled entry will be billed to you, so be sure to disable or delete any duplicate entries.**

## PAYMENT CALCULATION:

1. On the Manage Entries page, confirm your school name, circulation division and number of entries submitted in the upper right corner.
2. Click Calculate Entry Fee.
3. A list of all your enabled entries will be displayed. Review the list of entries for accuracy. The Total Entry Fee Due is calculated at the bottom of the list.
4. Select the check boxes for the entries for which you want to pay, then:
  - a. **If paying online with PayPal or credit card**, click the Pay Now With Card box at the bottom of the page. If you have a PayPal account, you can log in to complete payment. Or you can pay using a credit card by entering your credit card information. There is no requirement for you to establish a PayPal account. Be sure to strictly follow the instructions provided online. After clicking Pay Now, you will receive a confirmation. **During the PayPal process, do not hit your "back" button! Also, be sure the billing name and address information you enter exactly matches your debit/credit account.**
  - b. **If paying by check**, click the Pay By Check box at the bottom of the page. You will be taken to a page where you will enter your check details (check number and amount). You will then be able to view a report that indicates which entries are paid, as well as the status of the payment (i.e., paid ck). Please print this report to submit with your check. After your check is received in the mail, your entries will be marked paid as indicated by a "confirmed" status.

5. You may return to your Manage Entries page to confirm your online payment. Payment status will indicate "confirmed" for each entry paid via credit card online. Any other payments will be manually confirmed by PNA Foundation staff upon receipt of payment.

**NOTE: The online system will not be available to you after the deadline date, so be sure to print your receipt(s) prior to that date.**
