6.3 Number of Directors

The Association has a Board of Directors consisting of not less than fifteen (15) nor more than thirty-one (31) Directors, the exact number to be set from time to time by resolution of the Board of Directors. Each Director except the President and as set forth in this section must be an owner, employee or representative of a voting Member. The Nominating Committee will use its best efforts to nominate Directors from Members (a) located throughout the Commonwealth to ensure as much geographic diversity as possible and (b) such that daily and weekly newspaper Members are represented fairly. The President of the Association also serves as a Director. The immediate past Chairman serves as a voting member of the Board of Directors for the year following the completion of his or her term as Chairman. The Nominating Committee will use its best efforts to nominate a representative from among each of the Affiliate Members and the College Journalism Department Members to serve as voting Directors.

6.4 Director Terms

Directors serve a three (3) year term and a Director, if reelected, may serve for two (2) consecutive terms. Former Directors are eligible for reelection after being off the Board for one (1) year. Each Director shall hold office until the expiration of the term for which he or she was elected and until a successor has been selected and qualified or until the earlier death, resignation or removal of such Director. Directors nominated to fill a mid-term vacancy are eligible for two (2) regular terms upon completing their interim appointment. The term limitations shall not apply to an Officer, as long as he or she continues to serve as an Officer.

7.2 Executive Committee

The Executive Committee consists of the following Officers: a Chairman, a Chairman-Elect; a Vice-Chairman; a Secretary/Treasurer; an Immediate Past Chair; and the President of the Association. Other offices may be instituted at the discretion of the Board or Voting Members. Each Officer is elected for a term of one year unless extended by the Board for an additional one-year term. Unless otherwise removed by the Directors or where a resignation occurs, at the end of each term, the Chairman becomes the Immediate Past Chair, the Chairman-Elect becomes the Chairman, the Vice Chair becomes the Chairman-Elect and the Secretary/Treasurer assumes the position of Vice Chair. The Nominating Committee is responsible for recommending a candidate of Secretary/Treasurer. Except for the election of the Secretary/Treasurer, no further action by the Directors or Voting Members is otherwise necessary to re-elect the Executive Committee. The Officers will take office at the conclusion of the annual membership meeting.
