BENEFITS THE PENNSYLVANIA NEWSMEDIA ASSOCIATION FOUNDATION

This nonprofit organization provides professional resources, training and recognition for PNA members, develops the next generation of readers and journalists, and educates the public on the importance of the First Amendment.

Your participation in the PNA Foundation Golf Outing is a great way to enjoy a day of golf while supporting the PNA Foundation and all that we do.

WHY SUPPORT THE PENNSYLVANIA NEWSMEDIA ASSOCIATION FOUNDATION'S ANNUAL GOLF OUTING?

For more than 50 years, the Foundation has provided quality training and resources to PNA members while awarding excellence, working to increase public awareness of the First Amendment and developing the next generation of readers and journalists through a variety of programs, contests and funds.

In 2024, our training schedule has expanded and it keeps growing. We're offering monthly webinars – at no cost to PNA members – on legal and legislative priorities, advertising and revenue-generating ideas, audience development and editorial basics. Monthly roundtables specially designed for women in leadership, publishers, executives of weekly and small community publications, and classified advertising managers provide valuable networking and idea sharing. We're heading back On The Road for regional workshops across the state.

In 2024, along with the Local Media Association and the Lenfest Institute, we have launched a six month Pennsylvania Fundraising Lab for 12 PNA members. More than 3,700 entries are received and judged each year through a variety of contests with hundreds of journalists, sales staffs and students recognized for their outstanding efforts. The Fellows Fund for the Future Grant Program has awarded more than \$44,000 in support of podcasts, internships, special freelance coverage, database training, diversity efforts, climate reporting and audience-growth products across the state.

About the course...

THE COLONIAL GOLF AND TENNIS CLUB is located at 4901 Linglestown Road, Harrisburg, not far from our headquarters. Colonial's golf course was first opened in 1910 as Colonial Country Club. The golf course was the foundation for Colonial Country Club and was moved to its current location in 1954. The design is an exquisite layout featuring holes cut over rolling hills and through large 100 plus-year-old trees. The course is a championship layout that was renovated in 2002-2003 by Arthur Hills - Steve Forest Design Associates to create larger greens and multiple tee boxes. This renovation earned Colonial Country Club the "National Runner-Up Design of the Year," Member-Owned category. Learn more at www.colonialgolftennis.com.
