

# Encourage customers to **SHOP LOCALLY!**

To help drive business  
within our local community

will publish a Shop Local section on

This special edition will help over

connect with local retailers  
and service providers.

**Don't miss your opportunity  
to participate!**

Local consumers are eager to support their favorite local restaurants, retailers, entertainment venues and service providers. We are providing you with a unique opportunity to inform the members of our community that you are ready to serve them.

By participating in this special section, you can share the details about:

- How doing business locally can help businesses and communities thrive.
- Exciting promotions or specials your business is offering.
- The unique items or services your business offers that cannot be found elsewhere.
- Shopping accommodations that you are offering, such as curbside pick-up or no contact delivery.
- Your revised hours of operation, if applicable.

**Join us as we promote shopping locally.**
